

AGENDA ITEM 4e
DATE 1-25-10

City Council Report

Date: January 25, 2010
To: City Council
Through: Bryan Raines, Deputy City Manager
From: Ed Quedens, Business Services Director
Subject: Renewal of the Term Contract for Water Treatment Chemicals for Materials and Supply (Contract #MU6-505-2185)
Citywide Contract

Council is requested to approve a Renewal of the Term Contract for Water Treatment Chemicals as recommended. Contract pricing was evaluated by the Materials and Supply and Purchasing Divisions.

The Purchasing Division recommends authorizing purchase from a cooperative bid with the City of Chandler, as follows:

- Brenntag Pacific Inc. at \$20,000.00, including applicable sales tax.
- DPC Enterprises LP at \$70,000.00, including applicable sales tax.

The combined award is \$90,000.00 annually, based on estimated purchases.

Background/Discussion

These chemicals are used primarily to treat water in City swimming pools. Purchases are made on an as-needed basis.

Staff has determined the contract pricing is competitive with the majority of prices remaining the same, and some increases and decreases. Both vendors have been satisfactorily providing water treatment chemical products per City specifications for the past three years.

The Chandler contract is valid through December 31, 2010 with no additional extensions.

Alternatives

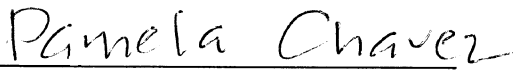

Council may choose not to authorize purchase from the Chandler contract and new bids will be obtained.

Fiscal Impact

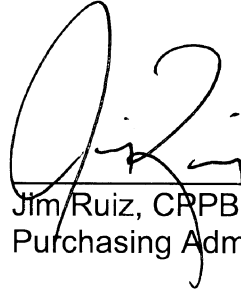

The total amount of \$90,000.00 is available in the Materials & Supply Division's budget for inventory purchases.
