Subject: Verification of 2% reduction in compensation for all employees

Cc: Christopher Brady, City Manager

Pursuant to the Council-approved audit plan under the special audit provision the Mayor and City Manager authorized a review of the 2% reduction in compensation for all employees. The objective was to ensure all employees, including the City Council, and Council Appointees were included in the reduction.

We have completed this review.

I do hereby certify that all employees, the Mayor and City Council, and Council Appointees were included in a 2% reduction of compensation except for those employees earning the federal minimum wage.
