Notes:

1. Year to date actuals as recorded in the financial system.
2. FY 2023/24 State and Local Sales Tax is projected to be lower than FY 2022/23 due to an assumed economic recession, which would decrease sales tax revenues.
3. Urban Revenue Sharing revenues are received with a two year lag. FY 2023/24 is higher than FY 2022/23 as a result of increased individual and corporate income tax revenues in FY 2021/22.
