**APPLICATION FOR SOLID WASTE/RECYCLING PERMIT
2024
(Required by Mesa City Code Title 8, Chapter 3, Article II)**

PART I

The permit application and review requirements for commercial and industrial solid waste management services and for residential, commercial, and industrial recycling services are found in Mesa City Code Title 8, Chapter 3, Article II (copies attached). These requirements, including definitions contained in City Code § 8-3-11, should be consulted before completing Part II of this Application.

A permit is required prior to servicing any containers located within the City of Mesa. Please note that failure to obtain a permit will result in a citation issued by the City of Mesa. Any questions about the requirements or completing this application should be directed to Dorothy Moy-Wong at (480) 644-4093

Prior to the issuance of a permit, the following information must be submitted. **Please initial each paragraph below to verify that you agree and have included all of the required information.**

1. The names, addresses, and telephone numbers of the individuals and the organization (if any) on whose behalf the application is made. This includes information on all officers, partners and their percentage of participation, and shareholders owning an _____ interest of five percent or more of the outstanding shares.

No person may apply for, or be a part of an organization applying for, a permit if such person has ownership or control of five percent or more of any joint venture, partnership, limited partnership, or the outstanding shares of a corporation that presently has a permit or permit application filed with the City of Mesa under Article II. _____

2. A complete listing of all vehicles and equipment to be used in collection, transportation, disposal, or recycling, as well as the location where the vehicles will be kept, the land use classification of the location under the Mesa Zoning Code, a declaration that the equipment is in good mechanical condition, and a demonstration that such vehicles and equipment conform to all applicable provisions of Arizona Revised Statutes Title 28. All permittees must abide by the U.S. Department of Transportation FHA "Bridge Formula Weights". Random checks for conformance will be instituted in the future and failure to abide by the regulations may result in the cancellation of your permit. _____

3. If proposing to engage in solid waste management services, a plan for the disposal of all commercial or industrial refuse and the location of such disposal must be submitted. If proposing to engage in recycling services, a plan that indicates how and by whom the materials will be sorted and separated, how the materials will be collected and transported, where and by whom the materials will be processed. _____

4. Documentation must be attached which exhibits that the applicant has obtained all insurance as required by State law, including automobile liability coverage for all vehicles to be used in the City throughout the term of the permit. Please include a **current** Certificate of Insurance. _____
5. Per Mesa City Code, Article II, Section 8-3-16 (E): All permittees shall furnish their customers with containers consistent with the permit issued under this Article and necessary and appropriate to maintain a clean and sanitary condition on the customers' premises. **Such containers shall display conspicuously the business name of the permittee and telephone number.** _____
4. In an effort to quantify the amounts of solid waste generated in Mesa an Annual Solid Waste Tonnage Report is included. Please include this completed report for your annual 2023/2022 tonnages. _____
5. **A nonrefundable annual fee, calculated by adding a \$200.00 base charge plus \$200.00 for each vehicle to be used under this permit. Payment can be made by credit card, check or money order made payable to the City of Mesa.** _____
6. The City of Mesa will evaluate the application pursuant to the standards prescribed in Article II. If an application is granted, it will be valid through the end of the calendar year. Failure to comply with the requirements listed in Mesa City Code Article II could result in civil penalties and/or fines according to Mesa City Code Article V. _____
