Change of Occupancy Permits

A Change of Occupancy under Title 4 or a change of use under Title 11 requires a new Building Permit, regardless of the extent of the construction. The Building Permit Fee for a change of occupancy or change of use shall be calculated the same as a Renovation Permit Fee, except the minimum Building Permit Fee for a Change of Occupancy is \$500.00. A new Certificate of Occupancy will be issued upon the successful completion of the Change of Occupancy Permit.

Stand Alone Permits

Stand Alone Permits are those that involve separate plumbing, mechanical, electrical, fire protection or other construction work not also requiring a Building Permit or that are not part of a Building Permit. Valuations determined by the Applicant and verified by the Plans Examiner. Stand Alone Permit Fees shall be calculated by applying the Valuation to the Commercial Rate Table.

Fourth and Subsequent Re-submittals

Applicants submitting revisions to permit applications and drawings beyond the third submittal and prior to the issuance of a permit will be assessed an additional plan review fee calculated at the rate of \$120.00 per staff hour, with a minimum of two hours. A non-refundable deposit of \$120.00 for each resubmittal shall be collected with the submission of each resubmittal after the third submittal.

Addenda to Permitted Drawings

1101-4202

Applicants submitting changes to approved plans after a permit has been issued that do not expand the scope of the permit will be assessed an additional plan review fee calculated at the rate of \$120.00 per staff hour, with a minimum of two hours. A non-refundable deposit of \$120.00 for each addendum shall be collected with the submission of each addendum. Changes that expand the scope of the project may be required to obtain a new permit as determined by the Development and Sustainability Director.

Standard Plans

Standard Plans are building drawings that are intended to be used on more than one site. These are plan reviewed in advance of the submission for permits and retained in Building Safety until needed. There is no fee for reviewing Standard Plans for the initial and up to two re-submittals. The fee for additional reviews beyond the third submittal and for revisions to the Standard Plans is \$120.00 per staff hour, with a minimum of one hour. Standard Plan fees shall not be credited toward the Total Permit Fee.

Technology Improvement Fees

Each and every permit fee and service fee of all types shall be assessed an additional technology improvement fee equal to four percent (4%) of the permit and/or service fee total to fund technology improvements. Such additional technology improvement fee shall be limited to a maximum of eight hundred dollars (\$800.00) on each permit or service fee transaction.
