# Accessing the EMS Notifications

Objective: Ability to create a work notification and show proficiency in accessing the ACA site.

#### New users will be required to register for an account. To register for an account please see Engineering DIMES user Guide "Engineering UTL End User ACA Account Setup Training"

To access the site copy and paste the link into your web browser. Web Site Link: <u>https://aca-prod.accela.com/MESA/Default.aspx</u>

Select the Engineering Utilities Icon

Login by entering your e-mail address and password created during the account setup process. Select "Remember me on this computer" if desired (not required) and select "Login".

nesa·az	
Announcements Accessibility S	apport Register for an Account Log Search Q
Please Login Many online services offered by the Agency require login for security reasons. If you are an existing user, please enter your user name and password in the box on the right. New Users If you are a new user you may register for a free Citizen Access account. It only takes a few simple steps and you'll nave the adde benefits of seeing a compite history of applications, access to invoices and receipts, checking on the status of pending activities, and more.	Login User Name or E-mail: tatve.ddomenic@mess Password: Login> Login> Her forgater my password Here Ibers: Reguter for an Account

Read the General Disclaimer and select "I have read and accepted the above terms" check box and continue by selecting "Continue Application".

While the City of Mesa attempts to keep its Web information accurate and timely, the Agency neither warrants nor makes representations as to the functionality or
condition of this Web site, its suitability for use, freedom from interruptions or from computer virus, or non-infringement of proprietary rights. Web materials have
been compiled from a variety of sources and are subject to change without notice
from the Agency as a result of updates and corrections.

In the top right-hand corner move the mouse pointer over the word Engineering and select "Apply for a Permit".

Select the type of Construction Notice required:

Use "Emergency Work" or "Minor Work and Maintenance" for annual permit types only! Use "Standard or Small Wireless Facility" for Standard or Small Wireless Facility record types only! Using the wrong notice type will cause an error and the notice will not be accepted. After verifying the correct notice type click on the "Continue Application" button.

		Search
	Select a Record Type	
	Choose one of the following available record types. For assistance or to apply for a record type not listed below please contact us.	
	Note: Please use "Construction Notice-Emergency Work" or "Construction Notice-Minor Work and Maintenance" with an approved annual permit.	
-	Work not associated with an annual permit please use "Construction Notice-Standard and Small Wireless Facility".	
	Click here for more detailed information on submitting a construction notification: https://www.mesaaz.gov/home/showdocument?id=32698
