Signal Butte Park Phase II - Public Meeting

Project No. CP0707

The Signal Butte Park Phase II project will be located just north of the existing Signal Butte Park (north of the desert wash). Improvements will include the addition of a parking lot, ramadas, restroom, lighting, trail system, BMX bike trails, and a pedestrian bridge over the wash to connect Signal Butte Park Phase I to Phase II. A conceptual rendering of the master plan and proposed amenities from Phase II will be available at the public meeting.

This is an open-house meeting will be held at Fire Station 219 (near Signal Butte & Elliot). Project exhibits will be on display and City of Mesa staff will be available if you have any questions. This project is funded through the 2018 General Obligation Bond. We hope to see you there!
