#### FEE POLICIES

*Fee Assistance:* The fee assistance program provides financial assistance to participants in selected programs when participation would otherwise not be possible due to economic hardship. Individuals who qualify for the public school free or reduced lunch program and/or federal subsidy recipients may receive a discount on selected program fees. Eligible programs are identified with an asterisk (\*).

*Scholarships:* Scholarships may be offered for participation in selected programs when an outside source provides funding that either covers the entire program or a portion of the registration fee according to the terms of the financial support. Scholarships are available for Mesa residents only.

*Refunds and Credits:* Refunds or credit may be given to a household account for reasons of illness, emergencies, etc.

*Fee Adjustments:* It is understood that on occasion special consideration may be needed in determining fees for groups or individuals having circumstances uncommon to those in the fee structure criteria. In these cases, the Parks and Recreation Director (or designee) will review all such requests. Request shall be submitted in writing to the Director (or designee) prior to the event, activity or service. The request may be taken to the Parks and Recreation Board for consideration, as determined by the Director.

In addition, the Director is authorized to institute special discounts, promotions or other short-term fee adjustments that are of benefit to the City, program and/or service.

*Contracts/Agreements:* Individual contracts or agreements are negotiated with various community groups that establish specific fees and charges as part of the approved contract or agreement. Examples include Mesa Public Schools, Gilbert Public Schools, Mesa Convention and Visitors Bureau, and Mesa Parent Youth Athletic Association.

*Marketing:* Printing and marketing costs associated with division brochures are included in program fees.
