Homeowner Comparison Overview

- Tool used to compare typical costs as a whole for homeowners between comparable cities
- The comparison includes the following categories
 - **Primary & Secondary Property Tax:** based on Mesa's FY 24/25 Limited Property Value (LPV) and each city's FY 24/25 property tax rates
 - **City Sales Tax:** calculated by applying each city's sales tax rates to the Bureau of Labor Statistics' annual Consumer Expenditure Survey
 - **Solid Waste:** uses 90-gallon barrel rate for each city
 - **Water:** uses median monthly residential consumption with ¾" meter
 - **Wastewater:** rate structure varies by city—using a flat monthly amount and/or based on winter water average
