

GARBAGE TRUCK SAFETY ACTIVITY SHEET

STOP. WATCH. STAY AWAY.

When you see a garbage truck driving down your street, make sure you **STOP** so you don't get in the way. You can **WATCH** the truck empty your barrel from a safe distance but whatever you do... be safe and **STAY AWAY!**

You should stand back at least a distance equal to the length of the garbage truck. About how long is that?

(Write the letter in the blank space that matches the number so you can find the answer!)
