

Professional of Record

Application/Permit Number: _____

Project Address: _____

Registered Professional Certification and Warranty:

I hereby certify and warrant that all information (including but not limited to specifications, representations, and statements) made on the permit application and each page of the submitted documents which I have sealed are true, correct and compliant with Title 4 (Building Regulations) of the Mesa City Code, all other applicable Mesa City Codes, ordinances and regulations, all professional requirements, and all of the submittal criteria published for the project type by the City of Mesa Development & Sustainability Department. I further represent and warrant that I have exercised the highest professional standard of care in the preparation, completion and submission of these documents. I acknowledge that the Building Official will rely upon the truth and accuracy of this information and this certification and warranty as the basis for issuance of a building permit. If it is determined by the Building Official that the submitted plans do not conform to all such codes, regulations and requirements, I agree to immediately take all remedial measures required by the Building Official. I also agree that if I, my agents or my employees, become aware of any false or inaccurate information made or included in any submitted document, I will immediately inform the Building Official and take all necessary measures to correct such information. I realize that failure to take any such corrective action may result in notification to the Arizona Board of Technical Registration and my participation in the program rescinded.

Owner/Tenant Corrective Action Agreement:

I have authorized all professionals named above to participate on my behalf in the self-certification program for code compliance plan review. I agree to take all necessary measures to correct any incorrect information or any error, misrepresentation or falsification made by my agents, contractors, employees, or me. I also agree to satisfy all requirements of the Building Official that are necessary to bring the plans and completed construction into conformity with all applicable provisions of the Mesa City Code and other applicable local, state and federal laws and regulations. I realize that failure to take such corrective action may result in the loss or withholding of the Certificate of Occupancy, additional fees and criminal penalties as identified in 4-1-9 of the City Code.
